Je crois qu'il faudrait réfléchir à cette question. Je pense que la réponse n'est pas évidente.

D'après mes informations, il semble qu'il y ait un certain nombre de cas où cette pratique est utilisée. Cependant, je ne suis pas certain de la légitimité de cette approche.

En résumé, je suis convaincu que nous devons investiguer davantage avant de prendre une décision définitive.

The weather was quite cold, and I wrapped myself warmly. I walked for a while, enjoying the fresh air. Then I returned home to continue my work. The rain had stopped by then, and the sun was shining brightly. I was glad to have escaped the gloom of the previous days.
I am not sure if I can make sense out of this.

I'm not sure what to say.

It seems to be a mess.

I can't understand it.
