Teaching Resources

Anatomical Charts

Lippincott Williams & Wilkins

<http://LWW.com>

Phone: (800) 638-3030; (301) 223-2300

Search online or request a catalogue for information on anatomical charts and other related formats.

University of Pennsylvania

Casting Program

University of PA University Museum

University of Pennsylvania

33rd & Spruce Sts.

Philadelphia, PA 19104-6398

www.pennfossilcasting.com

email: jmonge@sas.upenn.edu

Casting Program catalogues of fossil reproductions are searchable online. Many of the molds came from F. O. Barlow's "accurate and artistic plastic reproductions."

France Casting

Shane H. Walker

1713 Willox Ct. Unit A

Fort Collins, CO 80524

(970) 221-4044

Fax: (970) 482-4766

info@francecasts.com

www.francecasts.com

France Casting offers casts of human cranial and postcranial bones, with features demonstrating age, sex, trauma, and pathological conditions, and a primate series including gibbon and siamang crania, not commonly available. Some stone tool reproductions, animal bone casts, and gift items are available.
